TIPS & TRICKS

Need daily moisture and hydration? **OLAPLEX NO.5 Leave-in Conditioner** is great for damage or dryness. Suitable for all hair types, no protein or parabens. Works in 1-3 minutes, you can use every day and it's colour safe! Your hair will love it!

Top favourite for summer – **Davroe Luxe Leave-in Masque**. Forms a non-oily barrier to protect against colour fade also providing sun and surf protection. Can be used on wet or dry hair.

Many people over shampoo or shampoo incorrectly. The standard rules of thumb are; Don't wash more than once a day. Use only enough of the product to cover your hair. Avoid using very hot or very cold water on your hair and scalp.

With warmer weather upon us, a great tip for maintaining your healthy hair is to use sun protection. **Moroccanoil's Protect and Prevent Spray** is a leave in conditioner with a built-in sunscreen to absorb the UV rays. This can help prevent colour fade and brassiness from occurring. Extra tip; apply before swimming for an extra layer to prevent salt and chlorine getting into the hair.

Want your hair to feel like you are at the beach all day? We have the solution for you. For texture, windswept definition or that undone look, for both straight and curly hair. Come in store and see our finest selection of sea salt sprays today.

Embrace your curls this summer for a beachy look with Redken's **NEW Sculpting Curl Gel**. This lightweight gel will shape and define your curls for 72 hours with no stickiness, flaking or crunch.

KMS CU Twisting Style Balm is great for twisting and scrunching hair to enhance curls and easy styling for summer. You can use on damp or dry hair; it smells great and is moisturising with shea butter.

Wella EIMI Pearl Styler is the perfect product to slick down your fly aways/baby hairs to achieve a sleek ponytail.

To achieve optimum results when using the **K18 Leave-in Mask**, make sure you prepare your hair first with the **K18 Detox Shampoo**. This will create a clean canvas by removing product build up, dirt and sebum which will allow the mask to reverse damage in 4 minutes.

Lust Hair Makeup is a compact powder designed to hide away the regrowth and grey hair. Easy to use and can be used daily.
